UNISDR WORLD CONFERENCE ON DISASTER RISK REDUCTION, SENDAI, JAPAN HF/2015/03

eNews

1st April 2015

UNISDR WCDRR, Sendai, Japan, March 2015

On invitation from the International Expert Meeting on Cultural Heritage Disaster Risk Management organized by UNESCO, ICCROM and the Japan Cultural Institute, Yasmeen Lari, *SI, HI*, CEO Heritage Foundation of Pakistan, presented her keynote address titled Cultural Heritage, Societal Cohesion and Sustainable Development: DRR-compliant Women-centered No-cost/Low-cost Holistic Approaches for Marginalized Communities during the first session held on 11th March 2015 in Tokyo. The recommendations of the paper were incorporated in the final proposals that were presented by the group on 14th March 2015 in the World Conference on Disaster Risk Reduction held at Sendai, when images from Lari’s presentation were also presented.

BUILT BACK SAFER WITH TRADITIONAL METHODOLOGIES
