

SKILLS DEVELOPMENT TRAINING BY TRAINERS: RAISED BED FARMING

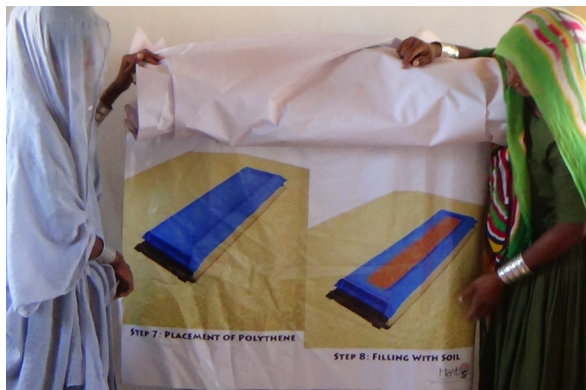

- The assembly was arranged at the DRR Centre.
- The program started as per schedule at 4 pm.
- The training was conducted by the trained Village Master Trainer while HF's Supervisor Waseem Akbar and Lead Trainer were present to supervise.
- Sindhi is the preferred language of the Village, hence the training was conducted in Sindhi.
- The training started with the trained Village Master Trainer briefing the people on raised bed farming, its purpose and advantages. Step by step construction method was explained through the help of Training Modules.
- A Practical Field session was followed by the presentation using the demo unit.
- Sweet meats and juices were distributed amongst the women and children at the end of the assembly.
